ERNEST B. HERNANDEZ

ehernandez144@student.alamo.edu | (210) 577-2404

PROFESSIONAL SUMMARY

Emerging cybersecurity professional with a strong foundation in regulatory compliance, quality assurance, and cross-functional training, complemented by a growing depth of technical expertise in security operations. Seeking an entry-level SOC Analyst or GRC role to leverage analytical precision and a security-focused mindset to strengthen organizational security posture.

EDUCATION

Bachelor of Applied Technology in Cybersecurity — St. Philip's College, San Antonio, TX
GPA: 3.77 | Expected Graduation: May 2028

Information Technology Cybersecurity Specialist, Level 1 Certificate — St. Philip's College | December 2025

Cyber First Responders — Occupational Skills Award, St. Philip's College | August 2026

Google Cybersecurity Professional Certificate — Google | June 2026

TryHackMe — Top 1% Global Ranking | 257 Rooms Completed | 49 Badges

EXPERIENCE

IT Logistics Associate — Amazon, IT Logistics & Imaging | May 2023 – Nov 2024

- Standardized device imaging, preparation, and deployment procedures across a 12-site regional footprint, reducing configuration errors and accelerating onboarding through consistent, security-hardened baselines.
- Prepared, transported, and securely destroyed IT assets & media in accordance with InfoSec policy, safeguarding data throughout the asset lifecycle

Personal Shopper — Instacart | Mar 2021 – present

- Communicated proactively with customers to ensure accurate and prompt order fulfillment
- Handled customer payment and personal information securely with care & discretion

Culinary Production Coordinator — Whole Foods Market | Jun 2015 – Dec 2022

- Directed daily kitchen operations and HACCP food safety compliance for a 45-member production team
- Managed inventory, stock rotation, and shrink control while maintaining quality and safety standards

Regional Compliance Auditor — Whole Foods Market | Aug 2012 – Jun 2015

- Conducted on-site regulatory and brand-standard audits across the Southwest region, evaluating compliance with local, state, and national safety and certification requirements (e.g., OSHA, food safety credentialing)
- Delivered team trainings to close certification gaps ahead of regulatory deadlines and new store openings, reinforcing accountability across departments

LEADERSHIP & HONORS

- Secretary, Cyber Tigers (Spring 2025-present) — peer learning, awareness initiatives, community service
- HSF Scholar (2025/2026); Dr. Adena Williams Loston Presidential Scholarship (Fall 2026); Enno Jean Cottrell Scholarship (Fall 2026); Ida V. Holland Educational Scholarship (Fall 2026); J. Kent Trinkle Scholarship (Fall 2026); KIA America Accelerate the Good Scholarship (Spring 2026); Last Mile Education Fund Scholarship (Fall 2025); St. Philip's College Alumni Scholarship (Fall 2025)

TECHNICAL SKILLS

Networking (TCP/IP, routing, switching); Operating Systems (Windows, macOS, Linux); Cloud Platforms (AWS, Azure); Security Tools (SIEM, firewalls, vulnerability assessments, Wireshark, Splunk, Autopsy, FTK Imager, tcpdump, Suricata, Nmap); Programming & Scripting (Python, JavaScript, HTML, CSS, SQL, PowerShell/Bash scripting, secure coding); Methodologies (OWASP Top 10, CI/CD workflows, zero-trust verification, digital forensics)
