ERNEST B. HERNANDEZ

hello.im.ernest@gmail.com • (210) 577-2404

OBJECTIVE

Emerging cybersecurity professional with a strong foundation in regulatory compliance, quality assurance, and cross-functional training, complemented by a growing depth of technical expertise in security operations. Seeking an entry-level SOC Analyst or GRC role to leverage analytical precision and a security-focused mindset to strengthen organizational security posture.

EDUCATION

Bachelor of Applied Technology in Cybersecurity — St. Philip's College, San Antonio, TX
GPA: 3.79 | Anticipated Graduation: May 2028

Level 1 Certificate, Information Technology Cybersecurity Specialist — St. Philip's College (December 2025)

Google Cybersecurity Professional Certificate — Merit America (June 2026)

TryHackMe — Top 1% Global Ranking | 257 Rooms Completed | 49 Badges

TECHNICAL SKILLS

Networking (TCP/IP, routing, switching); Windows, Linux, AWS, Azure; SIEM, firewalls, vulnerability assessments; Python, JavaScript, HTML; Shell scripting, Secure coding, OWASP Top 10, CI/CD workflows

CORE STRENGTHS

Analytical thinking • Detail-oriented • Continuous learning • Team collaboration • Process improvement

RELEVANT EXPERIENCE

IT Logistics Associate — Amazon IT Services, IT Logistics & Imaging Team (May 2023 – Nov 2024)

- Managed imaging, deployment, and full lifecycle of end-user IT equipment across multiple facilities, coordinating with IT Services to meet departmental technology needs
- Prepared, transported, and securely destroyed IT assets & media in accordance with InfoSec policy, safeguarding data throughout the asset lifecycle
- Contributed to the design of new IT processes to improve deployment efficiency and service quality

Personal Shopper — Instacart (Mar 2021 – Present)

- Communicated proactively with customers to ensure accurate and prompt order fulfillment
- Handled customer payment and personal information securely with care & discretion

Culinary Production Coordinator — Whole Foods Market (Jun 2015 – Dec 2022)

- Directed daily kitchen operations and HACCP food safety compliance for a 45-member production team
- Managed inventory, stock rotation, and shrink control while maintaining quality and safety standards

Compliance Auditor / Trainer — Whole Foods Market (Aug 2012 – Jun 2015)

- Conducted on-site regulatory and brand-standard audits across the Southwest region, evaluating compliance with local, state, and national safety and certification requirements (e.g., OSHA, food safety credentialing)
- Delivered team trainings to close certification gaps ahead of regulatory deadlines and new store openings, reinforcing accountability across departments

LEADERSHIP & HONORS

- Secretary, Cyber Tigers (Spring 2025-present) — peer learning, awareness initiatives, community service
- HSF Scholar (2025/2026); Dr. Adena Williams Loston Presidential Scholarship (Fall 2026); Enno Jean Cottrell Scholarship (Fall 2026); Ida V. Holland Educational Scholarship (Fall 2026); J. Kent Trinkle Scholarship (Fall 2026); KIA America Accelerate the Good Scholarship (Spring 2026); Last Mile Education Fund Scholarship (Fall 2025); St. Philip's College Alumni Scholarship (Fall 2025)
